Review Q3. Why did God make you and all things? - *For His own glory.*

Reading: 1 John 5:1-3

Questions:

1. No. Left to ourselves, we either would not want to glorify Him (Romans 1), or we would try to honor Him in a way that would not be acceptable to Him (false religions).

2. You must love Him and obey Him (Matt. 22:37).

3. **Gospel:** You can't on your own. You need God's help, and He has provided that help in Jesus. You need to look to Him, pray to Him and ask Him for His help to believe, to love and to obey.
