Questions

1) God cannot sin!

2) God's Holy Will is everything that He has decided will happen. It is always for the good of His people, even though they don't always understand why at the time.

God's will for us is found in the Bible and specifically written in the Ten Commandments.

We are to obey Him. We know some things about God's plan (Harvest time will continue, not one jot or tittle... (Matt 5:18), Jesus will return to judge, etc.), but we are not privileged to know exactly how God is going to work everything out; we must live by faith in Him.

Also, His will is for His glory, not ours.

3) Look at worksheet for today! **Omnipotent** = all powerful. Have a short discussion on **all three** "omni" words.

Gospel:

Remind them of previous week's Q&A. We need God's forgiveness and the help of the Holy Spirit for us to become Christians.
