

Name _____

Question 20

What does the Bible tell us about our souls?

Black out the false teachings!

Our souls go to live in another body when we die

Our souls return to God when we die

We become ghosts when we die

Our souls come from God

Our souls are what make us alive

God can send our soul to the lake of fire

Our souls are separated from our bodies when we die

When we die, our souls are left floating in space forever

Our souls will be reunited with our bodies on the Day of Resurrection

When we die, we become angels

Our souls are destroyed when we die

Our souls are eternal

Everyone's soul unites with God when they die

Only redeemed souls can be with God in heaven
